

This aerial map shows a residential neighborhood in Vienna. A red-outlined polygon in the center marks the 'Baustellenbereich' (construction area). A blue line, labeled 'Entwässerungsrinnen' (drainage ditches), runs along the left side of the construction area. The map includes several street names: 'Beurengasse' at the top, 'Sonnenhalde' on the left, and 'Nägelesgasse' at the bottom. Numerous buildings are visible, many with red numbers (e.g., 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 24) indicating specific units or plots. The map also shows green spaces, trees, and a small blue circular feature, possibly a well or a small pond, within the construction area.
