

[illegible]

The image displays four technical drawings of staircase components, each with dimensions and labels:

- Stufe oben M 1 : 5**: A top step profile with a width of 278 and a height of 80. The label "Blech 5 mm gekantet" indicates a 5 mm thick beveled plate.
- Regelstufe M 1 : 5**: A standard step profile with a width of 293. The height is divided into 80 (top) and 75 (bottom). The label "Blech 5 mm gekantet" is present.
- Zwischenpodest M 1 : 5**: A landing profile with a total width of 238,5. It features a top section of 231,5 and a bottom section of 167. The height is 80 (top) and 50 (bottom). The label "Blech 5 mm gekantet" is present. A note "Steifen unterseitig an Podestblech geschweißt" points to the underside of the plate.
- Stufe unten M 1 : 5**: A bottom step profile with a width of 293. The height is divided into 80 (top) and 145 (bottom). The label "Blech 5 mm gekantet" is present.
